

ORIFICE & ORIFICE KITS

Hex Cap

Application

1/2 Hex Cap, 3/8 x 27 Thread. Length 22/32". Drill Size*: LP-72; Nat-56

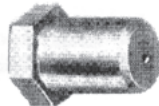

Item Number	Description
CO-400	1/2 Hex Cap

* Recommended orifice sizes listed will be furnished unless specified otherwise at time of order. (All caps have variable threads to compensate for large and small threads on valves.)

Hex Cap

Application

1/2 Hex Cap, 3/8 x 40 Thread. Length 11/16". Drill Size*: LP-72; Nat-56

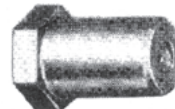

Item Number	Description
CO-402	1/2 Hex Cap

* Recommended orifice sizes listed will be furnished unless specified otherwise at time of order. (All caps have variable threads to compensate for large and small threads on valves.)

Counter Bored Cap

Application

1/2 Hex Counter Bored Cap, 3/8 x 27 Thread. Length 3/4". Counter bore helps keep orifice clean. For about 95% of domestic ranges. Drill Size*: LP-80; Nat-77

Item Number	Description
CO-403	1/2 Hex Counter Bored Cap

* Recommended orifice sizes listed will be furnished unless specified otherwise at time of order.

Pilot Orifice

Application

Insert orifice for Honeywell Q-308, Q-314, 390686-4 (Nat. Gas) & 390686-1 (LP). Aluminum. Drill Size*: LP-.010"; Nat-.018".

Item Number	Description
MH-858	Pilot Orifice

* Recommended orifice sizes listed will be furnished unless specified otherwise at time of order.

Pilot Orifice

Application

Aluminum, 1/4 compression connection. Replacement orifice for Robertshaw pilots A-1820 & A-1830. Drill Size*: LP-.010"; Nat-.018".

Item Number	Description
RS-813	Pilot Orifice

* Recommended orifice sizes listed will be furnished unless specified otherwise at time of order.

Pilot Orifice

Application

Aluminum, 1/4 Tube Size. Replacement for A-1820 & A-1830 pilots. Drill Size*: LP-.010"; Nat-.018".

Item Number	Description
RS-821	Pilot Orifice

* Recommended orifice sizes listed will be furnished unless specified otherwise at time of order.

IPSE Orifice Kit

Designed by IPS Professionals Exclusively for our customers with the Serviceman's needs in mind.

Includes:

- (1) RS820-011
- (1) BA721-007
- (5) CF642
- (10) MH858-010
- (10) CF502
- (5) PO511-72
- (5) PO529-72
- (1) RS819-016
- (2) BA718-010/011/012
- (5) CF643
- (1) RS800-009
- (1) M100-72
- (5) PO518-72
- (1) GE753-011
- (2) MH854-010
- (2) BA715-010/012
- (10) RS821-010
- (2) RS813-010
- (5) PO508-72
- (5) PO501-72

Hex Plug

Application

9/16 Hex Plug, 1/2 x 24 Thread. For Standard and Sunbeam equipment. Drill Size*: LP-72; Nat-56.

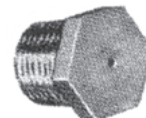

Item Number	Description
PO-554	9/16 Hex Plug

* Recommended orifice sizes listed will be furnished unless specified otherwise at time of order.

Hex Plug

Application

5/8 Hex Plug, 9/16 x 18 Thread. Drill Size*: LP-72; Nat-56.

Item Number	Description
PO-557	5/8 Hex Plug

* Recommended orifice sizes listed will be furnished unless specified otherwise at time of order.

ORIFICE KITS & TOOLS

Adapter Kit

Application

Kit contains all tools needed to assemble MI-100 adapter. (100) MI-100 adapters are included along with (1) each of TL-061, TL-062, TL-063, TL-064, TL-070, and TL-074. Plastic case.
