

# GLOVES AND RAIN GEAR

## Winter Monkey Grip™

### Application

Superior cold weather protection with a tough vinyl coating that resists abrasion, oil, acids and many chemicals. Non-woven lining keeps warmth in. Raised finish provides excellent grip, either wet or dry

### Ordering Information

Item Number	Description
23-173	Men's Size, with Gravel
23-193	Men's Size, with Safety Cuff

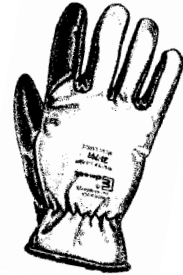

## Winter Tuf-Duk®

### Application

Heavy duty, vinyl impregnated palm gives good dexterity and grip. Outwears typical jersey gloves 10 to 1. Coating is repellent, oil resistant, stays soft in cold weather, and is machine washable. Perfect for chemical plants, yard work, warehousing, even truck driving. With foam insulation for cold weather wear.
