

# CYLINDER EQUIPMENT & METHANOL

Miscellaneous

## Portable Scales

### Application

The go anywhere scale that's easy to use, durable, and packed with proven design features for accuracy and dependability. Ideal for shipping and receiving, yard weighing, bulk handling and packaging. Built rugged for severe environments, indoors or out. Can be read easily and quickly from front or rear. Accurate weighing to 1000 lbs. with .5 graduations. Legal for use in trade.

### Ordering Information

Item Number	Description	Platform Size	Shipping Weight
854F100P	Portable Single Beam Scale	18" x 27"	160 lb.

NOTE: Can be assembled for an additional charge.

**854F100P**

## Fisher Cylinder Filling Control

### Application

The N201 fills D.O.T. cylinders by weight and shuts off the gas supply when the cylinder is filled to the specified weight. Operated by air or propane pressure, it is designed for beam-type scales and requires no electrical or mechanical power.

### Ordering Information

Item Number	Inlet	Outlet	Scale Type	Capacity
N201	1/2" F. NTP	1/2" F. NPT (2)	Beam	112 lb/minute at 30# differential

NOTE: Rebuilt units available. Call for details.

**N201**

## Methanol
